The Model A Ford Club of America, Bakersfield Chapter, the first chapter, is dedicated to the preservation of the Model A Ford and its era. All are welcome. Information in the newsletter may be borrowed from other publications. Credit will be given when known.

Meetings are held the first Monday of the month at 7:00 p.m. at the Rasmussen Center, 115 E. Roberts Lane.

President's Message

It is Thanksgiving as I write this last article and it is easy for me to see how the success of our club is a function of all you helping out and making this a great group of friends. And for that, Candy and I are very Thankful. I would be remiss by not acknowledging all of Candy's work keeping me on track and worrying over all the details of the events we have planned for the club over the last 2 years. I am grateful for her support and her amazing dedication to the club and to all of you.

I want to acknowledge the officers and board members that have served you these two terms and I am thankful for their wisdom, guidance, and support. We also need to thank those that help keep the meetings running, Sudy Pruett for her Sunshine Reports, Curt Nicks for outstanding raffles, Al Baumgartner for calling out the raffle every month and for Melody Creel

Sunshine

Sudy Pruett, is our Sunshine Representative, she needs to know when members are ill, have surgery, or are in the hospital. Also let her know about new Model A's (babies), marriages, and other important events.

This month Annie Duckworth spent some time in the hospital with a dangerous infection. She is recovering but still shaky. Her brother-in-law, and our editor, Dan, had cataract surgery and seems to be doing nicely. Andy looked a lot better at the pizza dinner this month. Keep your hat on, Andy, We all need to keep Larry Rose and his family in our prayers. His mom is struggling with her health at this time. Hope everyone had a very Happy Thanksgiving and keep safe

Presidents Message (Continued from Page 1)

(Continued from page 1)

for coaxing money from our wallets. Thanks to Rick Davis for heading up the Rubber Chicken Award, Nominations and Properties Committees and to Eddie Pruett for being our CCRG representative. Kirk Ritter for all his work with our history and for preserving our legacy in pictures and documents for the future. I also need to thank those folks that find time to help with refreshments. There is always a steady crew of servers and cleaner-uppers. And many thanks to Dennis Patrick for his support in making the Model A head light clocks for various do-gooders.

I am thankful for Dan, our newsletter editor, who faithfully waits with patience as I send my carefully crafted letters at the very last minute to him for publishing. Dan also doubled down as the 2020 CCRG Chairman and is moving forward with some very neat ideas for our take on a CCRG.

The Wings and Wheels show out at Minter Field in Shafter was a great success with a very large count of vintage cars and planes. This was their first event and we hope that they will continue this fund raiser next year. We had an outstanding turnout for the Veteran's Day parade with 24 cars! We made an excellent impression and got the first-place award for our category. We also managed to save the day by hosting the Grand Marshall, Dick Taylor, since the parade's car broke down. After the parade we gathered up at Fred's BBQ for a great lunch. We also had a good time with the club at Driving an A to dinner at Me 'N Ed's Pizza. Some of us stayed nearly to closing time! Many thanks to Debbie Launer for her support in setting up these events for us.

Bob and Jean Gleim hosted a fantastic picnic at their beautiful home. The potluck was a great success with 16 Model A's and 5 modern cars showing up. We lined up in the park behind the house and toured Bob and Jean's awesome shop and garage. The juke box was playing and the amount of food was overwhelming. We were blessed with perfect weather and good times with friends.

Don't forget the \$25 club dues need to be paid for 2019. We also recommend that you renew your MAFCA membership too. There is still time to get your Christmas Party reservation in for Monday, December 3. Give Candy a call to make your reservation and to get your name on the list. The cost is \$30 per person for a great Hodel's holiday spread with all the fix'ens. We will get this party started at 6:00 PM. Please come out and join us for a fun evening of music, awards and installation of new officers.

Turlock Swap Meet

The Modesto Area A's began the Swap Meet in 1965, located in the McHenry Shopping Center in Modesto. The event quickly outgrew the space available and in 1966 moved to the Stanislaus County Fairgrounds located at 900 N. Broadway, Turlock, CA. 95380, and became known nationally as the TURLOCK SWAP MEET. It has become one of the premier events in the hobby of restoring and collecting antique and classic automobiles.

The **TURLOCK SWAP MEET** always takes place during the last full weekend in January. In 2019, the Swap Meet will take place January 26th and 27th. The hours of operation are Saturday, 7 AM to 5 PM and Sunday, 7 AM to 3 PM. Admission is \$10.00 at the gate on Saturday and \$5.00 on Sunday; children 12 and under are free when accompanied by an adult.

For your convenience, an ATM is located in front of the Main Kitchen, which is near the Information Booth. There will be others spaced around the meet.

Please click on any of the buttons above to get information on specific areas of interest.

To help make this event run smoothly, the Club enlists the help of community service clubs and youth organizations, including the following:

- Newman High School Future Farmers of America
- Turlock Kiwanis Club
- Turlock High School Future Farmers of America
- Volunteers In Patrol, Turlock Police Dept.

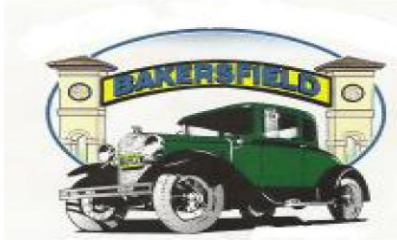

Income earned by these clubs helps to fund their community projects and activities.

ABSOLUTELY NO DOGS (SERVICE DOGS EXCEPTED), FIREARMS, OR CONTROLLED SUBSTANCES ALLOWED ON FAIRGROUNDS! ALSO, NO CRUISING OF MOTORCYCLES, BIKES, CARS, GOLFCARTS, MOPEDS, SCOOTERS OR ANY OTHER MOTORIZED CONVEYANCE IS ALLOWED. THIS IS A FAIRGROUNDS RULE. ONLY SMALL HANDICAPPED VEHICLES DESIGNED FOR AND USED BY HANDICAPPED PERSONS ARE ALLOWED.
