

Tips-N-Tricks Protect Running Board Trim by Paul Grometer

*Protect your Model A trim while it is sitting in your garage. Fit a 1 in. Dia. piece of pipe insulation over the running board trim. Either cut the pipe insulation to length or just run the extra length partly up the front fender. 1 in. x 6 ft. Polyethylene Pipe Insulation no. 1000031649 costs about \$2 at your local hardware store (Use plain pipe insulation, **DON' T** use the " Self-Sealing Pipe Insulation " with the adhesive)*
